

August 26, 2009

Dear ACE Student & Parent/Guardian,

We are excited to have classes begin on Wednesday, September 9<sup>th</sup> (A Day, AM and PM, or equivalent students) and Thursday, September 10<sup>th</sup> (B Day or equivalent students). We have prepared many exciting and challenging opportunities for you to experience through our industry-supported curriculum.

Enclosed is your student schedule with an indication of when you will be at ACE. Also you will find the transportation schedule as we have received it from your home district. Please contact your district transportation department directly, if you have any questions.

We will have ID badges for students to wear while at ACE and our partner facilities. Please be advised that we DO NOT have a picture day at ACE. Students need to be certain to get their pictures taken while at their home high school. Some districts do this during classes that our students take at ACE. In this event, please make arrangements at your home high school to participate in Picture Day, at a time you do not attend classes here.

ACE Academy also has a separate breakfast/lunch account. Monies will need to be paid, directly to ACE, to cover meal expenses consumed at ACE. Your home high school will share information regarding free/reduced eligibility with ACE; therefore, continue to turn in free/reduced applications at your home school. Students may also choose to bring their own breakfast/lunch.

Enclosed you will find information concerning parking permits. ACE Academy has very limited student parking, therefore a parking permit must be obtained and all vehicles must be parked in the ACE Student Parking lot only. Also enclosed are the Field Trip Permission and information release forms. Please return these at the beginning of the school year.

*Important  
DATE!*

Please mark your calendars! You are invited to a Welcome Back Night on **Tuesday, September 22<sup>nd</sup> from 6:30-8:00 pm**. During this evening you will have the opportunity to meet our staff and we will show you an average day in the life an ACE student. We will discuss our philosophy and grading structure, and instruct you on how to access your student's progress, through TeacherEase and Moodle. You won't want to miss this informative evening.

We look forward to seeing you next week and having a great year! If you have any questions or concerns, please give us a call. You may also visit our website at [www.acecharterschool.org](http://www.acecharterschool.org) for additional information.

Sincerely,

Michael L. Taylor  
Director
